SUMMER TERM 2026
Norton le Moors Primary Academy

SUMMER TERM CLUBS 2026

All clubs start w/c Monday 20th April 2026
and finish Friday 3rd July 2026

This booklet outlines all the clubs available this term.
Clubs will go live on Wednesday 25th March 2026 at 6.15pm.

Please use the hive link below to book your child's club. All children Nursery to Year 6 can only have 1 after school club. More than 1 club booked will be cancelled.

If your child is not attending a club please let the office know - all children will be sent to their club unless a message is received especially if they walk home alone.

Failure to attend three club sessions may mean your child's place is offered to someone on the waiting list!

Aims of Enrichment After School Clubs

To enhance the personal development and wellbeing of all pupils, by:

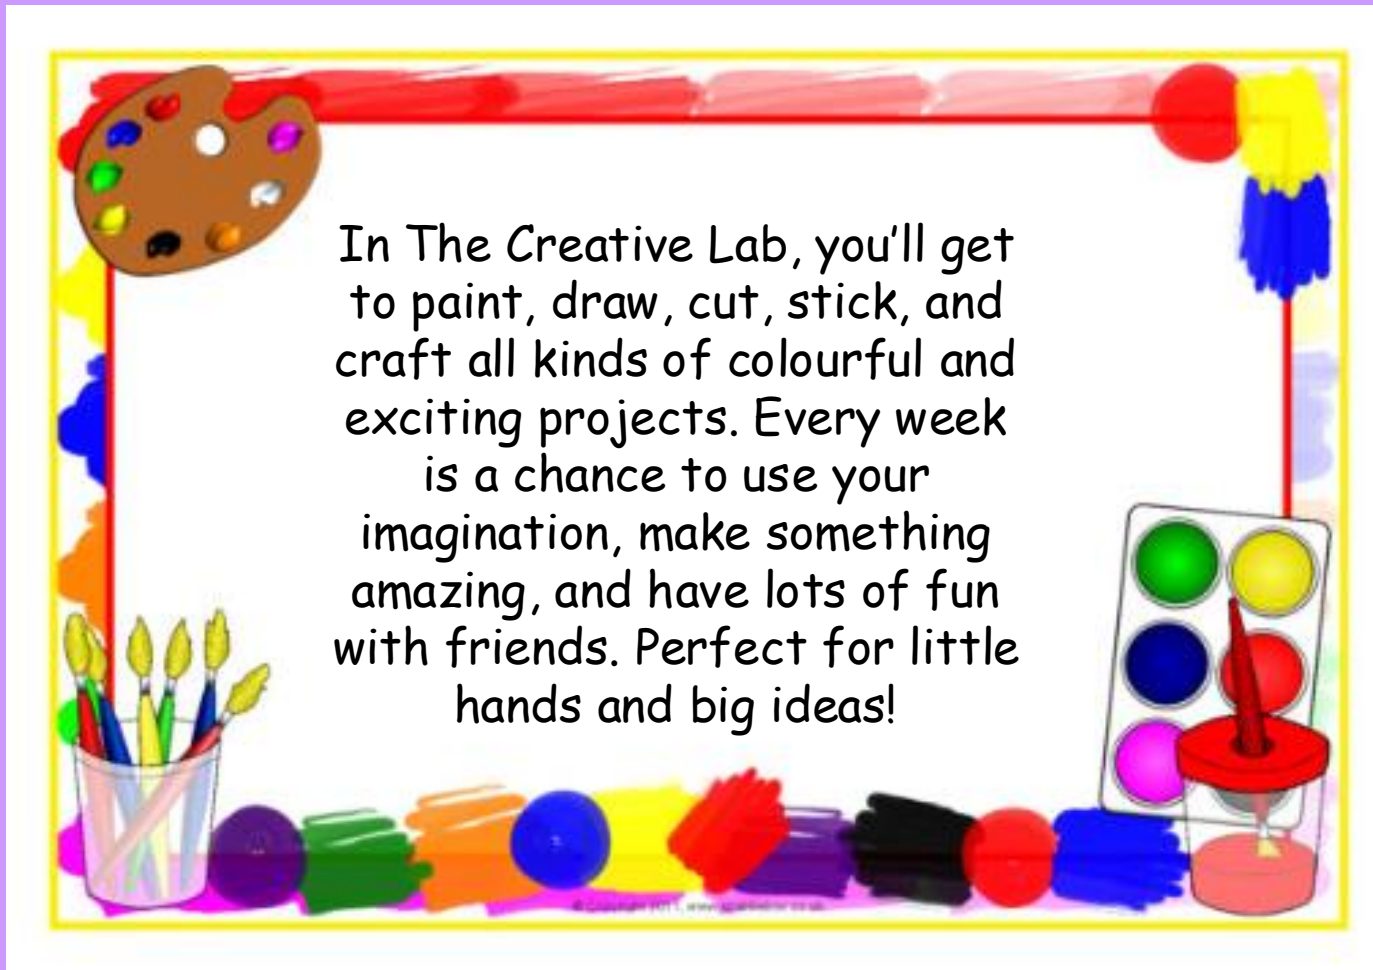

- Wider opportunities and experiences provided for all pupils.
- Develop skills for a successful life as a citizen in the community.
- Promote wider development, character, well-being and to support children to achieve and thrive, in school and beyond.
- Contribute to children's personal development and their SMSC development.
- Supporting pupils to become responsible, respectful and active citizens who can play their part in public life as young people.
- Further developing children's awareness of: democracy, the rule of law, individual liberty, mutual respect and tolerance of others.
- Inclusive opportunities and an understanding of protected characteristics, as defined in the Equality Act 2010.
- Developing children's individual characters, so that they reflect wisely, learn eagerly, behave with integrity and cooperate consistently well with others.
- Developing children's confidence, resilience and knowledge so that they can keep themselves mentally healthy.
- Provide enrichment activities to allow children to be physically healthy, understand what it means to eat healthily and maintain an active lifestyle.
- To develop healthy relationships, with others and how to keep themselves safe. Including online.

Little builders

When: Wednesday - 3.20pm - 4.20pm

Who: Reception, Year 1 & 2
with Mr Thorley

A circular illustration with a yellow background. It shows three children wearing yellow hard hats. One girl in a green shirt and pink skirt stands on a wooden scaffold. A boy in an orange shirt and blue shorts stands on a ladder. Another child is partially visible at the bottom left. They are surrounded by construction materials like blocks and a small cart. A large white rectangular box with a black and yellow striped border is in the center, containing text.

Put on your hard hats and get ready to build! In Little Builders, children will design, build, and create using blocks, construction kits, and their imagination.

From building towers and towns to creating their own worlds through role play, each session is packed with creativity, teamwork, and hands-on fun. Perfect for children who love to build, imagine, and play!

Games & Recreation

What's it all about??

The Children's University is an International critically-acclaimed charity which encourages all children aged 5 to 14 years to try new experiences, develop new interests and acquire new skills through participation in innovative and creative Learning Activities outside of the school day.

Learning Activities are designed to:

- Raise aspirations, self-esteem & confidence
- Encourage curiosity and a love of learning
- Enhance motivation and build resilience
- Introduce new life experiences
- Offer progression in learning and personal skills development

In Year 1 children are issued with a 'passport to learning' which will be a record of the amount of hours spent in after school clubs. It is the learning hours (credits) achieved that lead to the award of a Children's University Certificate. *(Being a member of the children's University costs us £5 each, so the passports are kept in school to avoid you having to pay for a replacement)*

At Inspirational Learning Academies Trust children are awarded 10 credits each term for each after-school club they attend. They can also gain credits for educational visits, being on a class council e.g.: school council, visits to museum events, and activities they take part in out of school like swimming lessons, a football team or dance lessons (please let me know the details for these activities)

Children will receive certificates at our award assemblies each term. The certificate they achieve depend on the number of credits they have.

Certificates start at

Bronze Certificate - 30 credits

Silver Certificate - 65 credits

Gold Certificate - 100 credits

And continue onto Awards, Degrees & Diplomas
